

# DIGITAL MEDIA LAB LAUNCHPAD MEMBER EQUIPMENT LIST

---

## **SERVICE MODIFICATIONS**

The Digital Media Lab has reopened for Launchpad Member bookings with service modifications to ensure a high standard of safety and to improve our quality of service.

## **BOOKING PERIODS**

Currently, Launchpad Member bookings are available exclusively in 6-hour blocks on specified days. Please see the [website](#) for details.

## **RATES**

Please see the [Rate Card](#) for our new reduced member rates, available exclusively for Launchpad Members. For a limited time, we will be offering the “Evening + Weekends” rate for all Launchpad Member bookings.

## **TECHNICAL SUPPORT**

VFX and Sound Recording Studio bookings include the support of a Studio Technician. Photography Studio, Green Room and Edit Suite bookings do not include the dedicated support of a Studio Technician. Please note that members are responsible for crewing their own productions. Contact [launchpad.dml@artscape.ca](mailto:launchpad.dml@artscape.ca) for more info.

## **EQUIPMENT**

Each studio now comes with a set list of associated equipment. This “kit” is included with the booking at no extra cost. Please note that equipment may not be swapped between studios. Please ensure all equipment is wrapped, all data is offloaded and all cards are formatted prior to the end of your booking. Place all garbage in the bins provided and ensure the room is returned to its original state.

## **CANCELLATIONS**

To allow for full health and safety compliance, Digital Media Lab bookings are subject to cancellation at any time with a full refund, for any reason related to COVID-19. Cancellations may be made either by Launchpad Staff or by Launchpad Members. This temporary policy is in place to ensure full compliance with our [Health Screening](#) protocol.

*Please consider this when making your bookings.*

## **CLEANING & SANITIZATION**

Please use the sanitization stations located throughout our space to disinfect surfaces, touch points and equipment. We ask that you clean high-touch surfaces before and after use for your own safety and the safety of others. To ensure everyone's health and safety:

- All individuals must fill out a [Health Screening Form](#) and meet all of the required criteria prior to each on-site visit
- All individuals must abide by all applicable health and safety [regulations](#)
- Maximum room capacity limits must be respected for each enclosed space (see below for details)
- All individuals must practice safe hand washing
- All individuals must practice physical distancing
- All individuals must wear a protective mask in all common spaces
- Eating & drinking in studios is not permitted

## **PROJECT PLANNING**

COVID-19 Health and Safety is best managed during the planning stage of any project.

- Limit the total number of people on-site
- Limit the total amount of time on-site
- Limit unnecessary contact with surfaces and equipment
- Do not come on-site if you are not able to meet all [Health Screening Form](#) criteria

## MAXIMUM STUDIO CAPACITY

- **3 PERSONS**

Following provincial guidelines on physical distancing, this studio has a strict capacity to ensure safety.
